Steering Rack Limiters
Part No. 476100/476120

Instructions

Steering Rack Limiters

914, 911, & 930's '89 & Earlier

1. Jack up the front of the car and support it securely with jack stands.
2. Remove the gravel pan underneath the front of the car (4 bolts).
3. Slide the spring that holds the rubber boot on the rack to the side.
4. Slide the rubber boot to the outside.
5. Install the rack limiters using blue Loctite and tighten.
6. Install rubber boot and put spring back on.
8. Replace the gravel pan and lower the car.

Note:

The limiter does not clamp down tight on the shaft.
